

THE UNIVERSITY OF WINNIPEG

PRE-PROFESSIONAL STUDIES

PRE-CHIROPRACTIC

Chiropractors help individuals achieve a comfortable state of functioning. They assess conditions related to the spine, nervous system, and joints, and treat them primarily by mechanical adjustment. Some chiropractors specialize in areas related to athletic injuries, diseases, children's disorders, or

6 credit hours of biology with a laboratory component
6 credit hours of organic chemistry with a laboratory component*
3 credit hours of introductory psychology
