

Ethics Alert

Ethics Alerts are sent to all employees and / or the general public to communicate best practices and behaviors which may impact organizational integrity and transparency and to ensure all stakeholders are aware of current events and any

If you are aware of any wrongdoing or unethical behavior, please report it to the MNP Ethics Alert Line. Your report will be kept confidential.

Your report is confidential and anonymous. You can reach the Ethics Alert Line by phone or email. Remember

If you see a breach, it is your ethical duty to report it to your company.

There are many resources available to help you understand the ethical code of conduct for your company. Please refer to the code of conduct for your company.

Unethical acts hurt us all. Help put a stop to it.
